Start Living Your Dream© - A Model for Living a Purposeful Life

Many people are working in a career where they are not using their natural born talents. If you...

Bio

My expertise is speaking on self-mastery, specifically tangible self-coaching practices to be more courageously confident, congruent & resilient. I work with individuals, leaders, trainers, coaches, and entrepreneurs on how to gracefully coach themselves especially when stressed, under pressure, and during life and career transitions.
